

Tux on 9 Measurement Form

Instructions: Just print this form and take it to any shop specializing in men's formalwear, to have your measurements taken professionally. Then you may return to our website to submit your sizes via email, or you may mail, phone, or fax them. Please fill in all fields, with the following exceptions: We only need the bride's name **or** the groom's name, so don't worry if you don't know both! The **age** is only required for boys' orders. We only need the outseam **or** the inseam, not both. The **hip** measurement is optional, because many shops do not take it.
