HEIGHT: _____ WEIGHT: _____

CHEST: _____

NECK: _____ SLEEVE: _____

OVER-ARM: _____

UNDER-ARM: _____

COAT SIZE: _____

WAIST: _____

OUT SEAM: _____

SHOE: _____

How the Out-of-Town Measurement Process Works:

1. Find out where you can get measured. Most local tailors and tux shops will provide a fitting service for you. If you can't be measured at Tux on 9, we highly recommend that you visit a professional if there is one near you. In some cases you might be charged a small fee, so ask about this beforehand if it matters to you.
2. Print out the Nine Measurement Form and fill in the information.
3. After you've gotten your measurements taken, come back to the Blumz Tux On Nine measurement card and submit your sizes. Alternatively, you can call in or deliver your measurements in person, or even fax them.
